CHRISTIAN COMMUNITY

God never calls us solely into union with himself but also always into fellowship in a community. Sometimes people think their community is where they stay, but in fact community is much more than just geography. It's when people gather regularly and build meaningful relationships and a common life together. Sadly, many of us seldom experience community like that where we stay, or even in the church we attend. Instead, our richest experience of community comes in the workplace, where God is a distant reality.

At The King's School, we would like to give our families many opportunities to experience the joy of Christian community gathering together. Just last weekend we had our fun run/walk, got to experience the unity in our King's family, and the blessing that God commands when his people gather

together. "Behold, how good and pleasant it is when brothers dwell in unity!" (Psalm 133:1)

When you're feeling irritated by Christian community (as will undoubtedly happen from time to time), remember that we can't demand what Christian community should look like. God himself will draw together people of all types, including outcasts, captives and the marginalised. Dietrich Bonhoeffer, in writing about Christian community, reminds us that it is God that makes our community life a blessing - "Because God has already laid the only foundation of our fellowship ... we enter into that common life not as demanders but as thankful recipients."

GR12 BUSINESS STUDIES – CURRICULUM QUIZ

Over the last four weeks the Gr12 business students have competed each Thursday in a Business Studies Curriculum Quiz based on the 30 Seconds format. They competed in groups during the scheduled lessons. The quiz was based on the entire curriculum and the students developed the quiz cards and questions. During the term the students have worked through past papers and class activities to prepare for their prelims. The quiz was another way to learn and have fun.

Congratulations to the following three teams for winning their class quiz:

Class 1 (Gp2) = 29 points

Class 2 (Gp3) = 102 points

Class 3 (Gp1) = 100 points

As your Business teacher, I want to thank you all for your passion and enthusiasm each week and for preparing so well for the quiz. May you all have a good exam series and do particularly well in Business Studies. I am proud of you all and care deeply for each one of you. I pray that you achieve good success to the glory and honour of our Lord Jesus Christ, Amen.

South African Junior Chess Championship (SAJCC) - 2020

Khodani Nwedo started playing chess when he was in Grade 2 at The Kings School West Rand (TKSWR) under Coach Heinco and Teacher Maria. His passion for chess was quite visible even at the tender age of 7.

Since then Khodani has never looked back and has represented D12 on several occasions at the Gauteng Provincial Chess Championships. He came first at the Individual Competition and won a trophy.

He has been part of TKSWR Chess Team since Grade 3 and in 2018 represented D12 at the Gauteng Team Chess Championship in Pretoria.

On 27 and 28 July 2019, he participated in the Johannesburg Metro Chess Tournament, which was a qualifier for the 2020 South African Junior Chess Championship (SAJCC). On 3 August 2019, Khodani participated in JNW Chess Individual Tournament at Maragon where he came first and won a Gold Medal and Prize money.

On 21 August 2019, Khodani was selected to be part of the Johannesburg Metro Chess team, which will compete at the 2020 SAJCC to be held from 3 -12 January 2020 at the OR Tambo Conference Centre in Boksburg.

Khodani believes that he can do all things through Christ, who gives him strength (Phil 4:13). We give God the glory for Khodani's achievements and wish him well at the SAJCC.
