# From the Principal's desk

**I am filled with hope for the future.** We are seeing a young generation that are developing into leaders in society that will rectify the mistakes of the past and build on the achievements of their predecessors. God has shown favour to our nation time and again in history and will be faithful again in the future.

When Jesus said, "all authority in heaven and earth has been given to me" he meant ALL and not some, and not way in the future but right from the moment of his resurrection. This does not mean that Satan, our enemy does not remain active in the world, nor that there will not be evil men who live contrary to the Kingdom of God.

For us as Christians, we understand from Scripture that from the time of creation in Genesis, God has been guiding the story of the world up to its conclusion in the Book of Revelation and the second coming of Jesus. It is the story of God's people, the body of Christ which is us, the church representing God's Kingdom as salt and light in times of tribulation.

The great news is that we are not salt and light in our own strength, but fully through the gift of the Holy Spirit inside of us. Jesus says in the first chapter of Acts that when the Holy Spirit comes upon us, we will be his witnesses in the whole world. Witnesses of hope.

Be encouraged, Christian. May the God of hope **fill** you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit (Romans 15:13).

Mr. Ken Langley  
Principal
