Remembering what it's all about.

01

This time of the year is a particularly special time for us as Christians. It is a time of remembrance, and an opportunity to teach our children about what the Lord has done for us. Psalm 78 highlights the importance of teaching the next generation and remembering the things that God has done and continues to do for us. May this weekend not just be one filled with special meals and chocolate, but also with deep, meaningful conversations between us about what God has done for us

Psalm 78:4-6

We will not hide them from their descendants;
we will tell the next generation
the praiseworthy deeds of the Lord,
His power, and the wonders he has done.
He decreed statutes for Jacob
and established the law in Israel,
which he commanded our ancestors
to teach their children,
so the next generation would know them,
even the children yet to be born,
and they in turn would tell their children
