

05 November 2024

Dear Grade R Parents,

**UNIFORM, WORKBOOK, AND STATIONERY ORDERS: Grade 1: 2025**

We hope this letter finds you well! As we prepare for the exciting school year ahead in 2025, we are thrilled to share some significant updates that will enhance our students' learning experience.

This year, we are proud to announce our partnership with Resolute Education, a leader in providing innovative educational resources. This collaboration allows us to introduce high-quality coding and robotics programs, which will equip our students with essential skills for the future. Additionally, we will be incorporating a phonics workbook and the Singapore Math homework book into our curriculum, ensuring that our students receive a comprehensive and modern education that aligns with current trends.

To support our learners holistically, each student will also receive a Foundation Phase Diary. This diary will serve as an invaluable tool, containing academic resources, important dates, and information specifically designed for parents. We believe that effective communication and organization are key to our students' success, and this diary will play a crucial role in that.

We are committed to providing our students with the best resources to help them thrive academically and socially. As we embark on this new chapter, we encourage you to support your children in embracing these exciting changes. Together, we can inspire them to achieve their fullest potential in 2025.
