Parents please keep the excess stationery at home, so that when your child needs it during the course of the year he/she has access to it.
- Do not cover exercise books.**
Instructions for labels and plastic covers will be given to the children on the first day of the term. All of the exercise books will be covered in class (teachers will provide a cover page for the books) during the first week of the school year. - Parents please cover your child's **textbooks** in plastic or contact adhesive and label with learner's full name on the front cover.
- Ensure the Singapore Math books are covered in the correct size plastic.
