Dear Grade 3 to 6 Parents,

TEXTBOOKS 2026

We are continuously reviewing our textbook purchasing process and have decided to once again outsource the bulk procurement of our textbooks to PNA Featherbrooke Village Shopping Centre. However, there are still some books that can only be purchased through the school.

Attached are two textbook order forms: the PNA order form and the school order form.

THE PNA ORDER FORM

This form must **not be returned to school** but **handed in at the PNA, at Featherbrooke Village Shopping Centre**. The manager at this PNA has given us a substantial discount on the books. Please ensure that you take the order form with your selection indicated on the form to them **on or before 31 October**, after which they will order the books in bulk. **Books can only be collected from PNA Featherbrooke Village Shopping Centre from the end of November**. Any order after 31 October will only be processed in the middle of November, which is not ideal, as delays in the delivery of your order may occur.

SCHOOL ORDER FORM

This form must **be returned to the school by 15 September and handed in to the register class teacher**. These books will be ordered in bulk from the publishers directly because these books are substantially more if bought through a supplier. No late orders will be accepted.

Parents will be invoiced for these textbooks/workbooks on their October school account. These textbooks and workbooks will be available to the learners at the start of the 2026 school year (possibly earlier - we will inform you timeously).

NEW BOOKS

Most of the textbooks have remained the same for 2026 from 2025. Parents may purchase second-hand books from current learners on condition that they are not workbooks/manuals. The TKSWR diary is compulsory and can only be purchased through the school order form.

Best Regards,
